# Memories

# 2008

# 2009

his year at Arthur Hill many memories and friends were made that will last a life time. It's been said about high school that when you look back on it, it was some of the best years of your life. No matter if you graduate 10 years from now, or if you are the graduating class of 2009, there will always be something to be remembered. A memory to look back on, and friends to venture on into the real world with.

# Proud To Be A Lumberjack

**Lets Go Jacks!** Here at Arthur Hill there's a lot of spirit. From the Freshmen class of 2012 all the way to the Senior class of 2009. Seniors always know how to show their spirit wether its at a Varsity basketball game, or at the Homecoming Assembly. Students show their spirit by buying blue and gold air brushed shirts to support their class.

This year's homecoming theme was "Lights, Camera, Action." There were nine girls and nine boys nominated by the senior class to be on court. The girls this year were Sara Kruske, Jasmine Taylor, Steffenie Kruske, Kandice Hopkins, Monai Dillard, Pearl Kelly, Kiah Douglas, Denae Worthington, and Juanita Cochran. The boys were George Adams, Cameron Boli, Robert Bond, Chris Webb, Jarrod Bracey, Shaunta Harris, Caleb Yanez, Shaunte Jumper, and Michael Schaaf. The court was announced at the first pep assembly on September 19, 2008. The homecoming football was on September 26, 2008, and the dance was September 27, 2008. Our homecoming football game was against Flint Southwestern. At the game, Juanita Cochran and Shaunta Harris were crowned queen and king. There was a great turn out for the game and the dance. Over eight hundred people were at the game and four hundred at the dance.

# [Homecoming Week 2008]

Jacks have spirit!

This year homecoming hit us fast with a very early date of September 27, 2008. The theme this year was **Lights, Camera, Action!** The Hillites really pumped up the volume with this year's Spirit Week. Monday was 80's Day, Tuesday was Nerd Day, Wednesday was Character Day, Thursday was Twin Day, and Friday was the traditional Blue and Gold Day. The excitement continued at the assembly, parade, and homecoming game.

- Taylor Levy-Reis

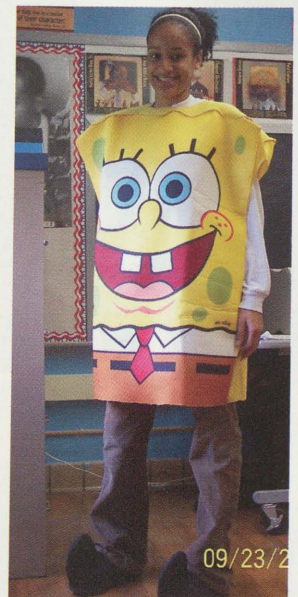

ABOVE: Chasney Gilbert and De'Paris McGill are accompanied by two other juniors who dressed up for 80's Day.

Following this year's homecoming theme the hallway decorating was taken more seriously this year. This year Arthur Hill was loaded with school spirit, especially the senior class who created their very own walk of fame and ultimately won the hallway decorating.

# The Lumber Jack Staff Hard At Work

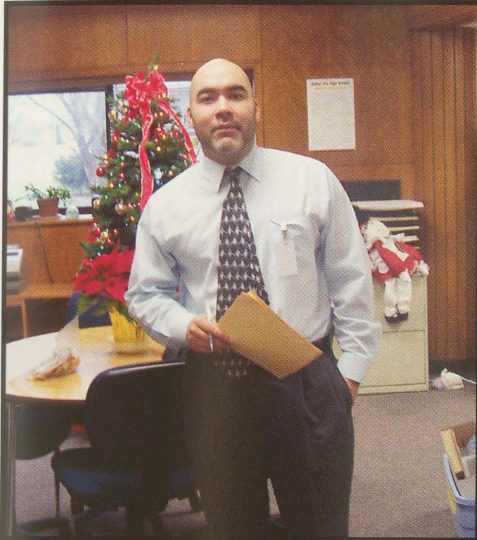

## Mr. Nathaniel McClain

What kind of changes have you seen between last year's school year and this school year?

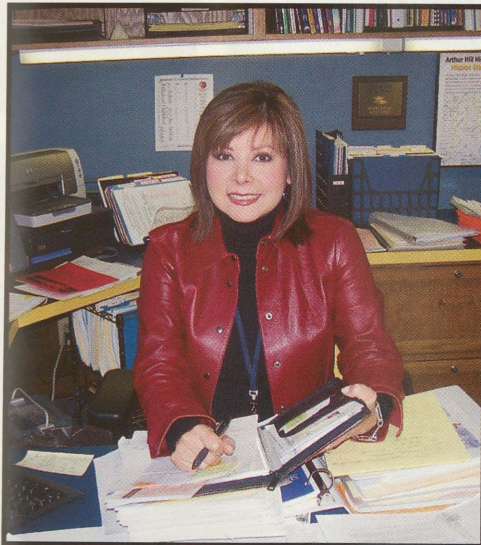

"Both staff and students have a sense of urgency regarding strengthening academic awareness and accountability within our school culture. Students are beginning to acknowledge their role in assisting to positively impact our academic climate."

## Mr. Jimmie Westbrook

How do you feel the school year has gone so far?

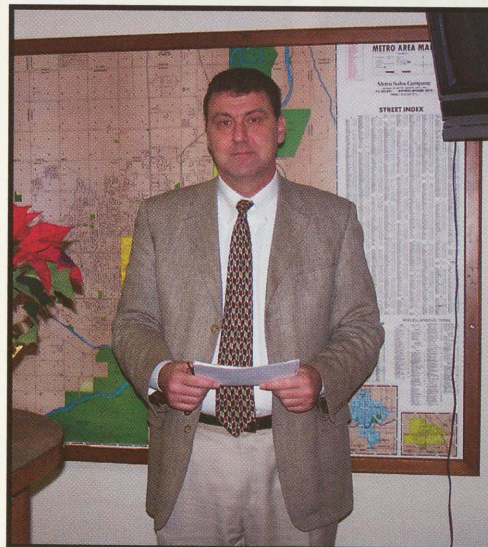

"This school year has been fantastic with the ninth grade pride academy and with what the returning upperclassmen have done up to this point. They have done well academically and behaviorally."

## Mrs. Mercedes Perez

How do you feel the school year has gone so far?

"The school year has been going quickly, and the students have been engaged in their school work and other activities. Juniors are particularly engaged in preparing for the most important test in their high school career the MME/ACT in March. We continue to carry out our school motto 'achievement with honor.'"

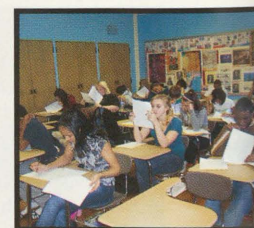

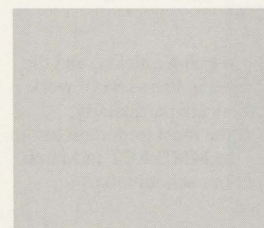

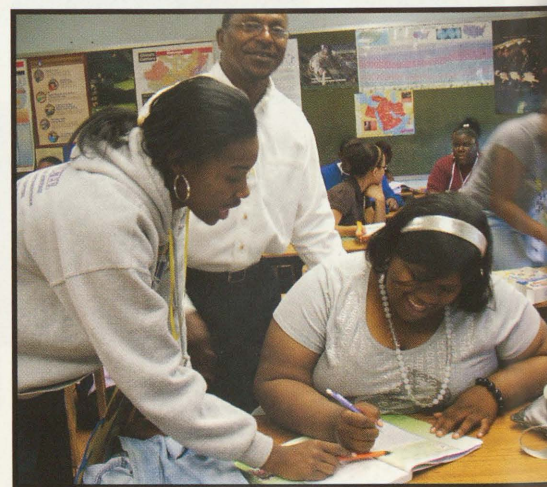

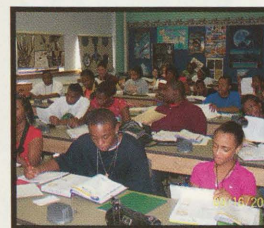

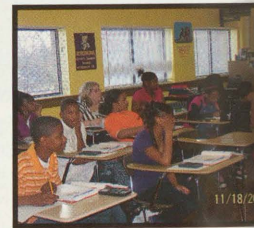

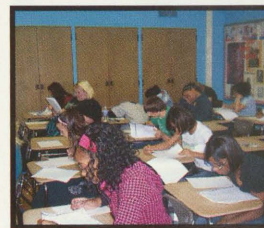

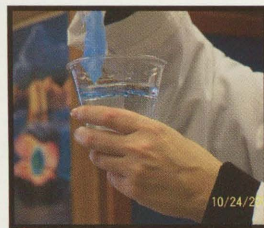

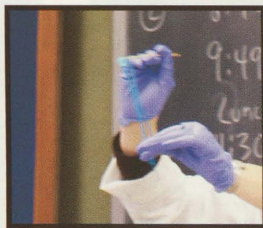

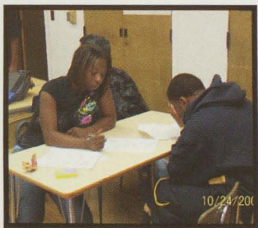

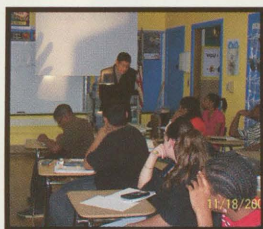

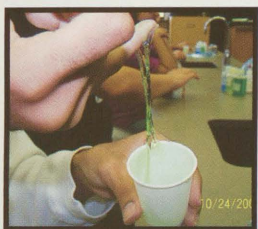

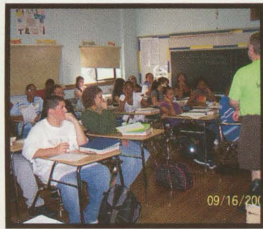

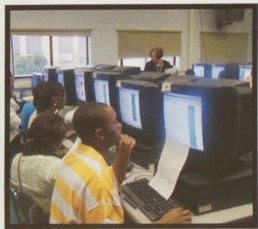

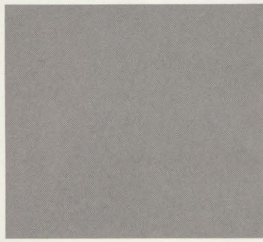

## Mr. Mark Frost

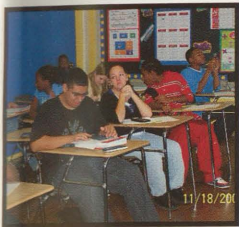

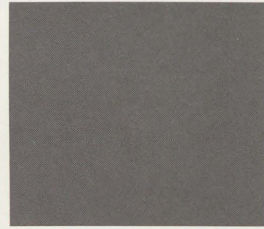

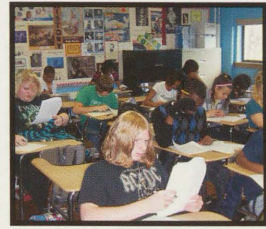

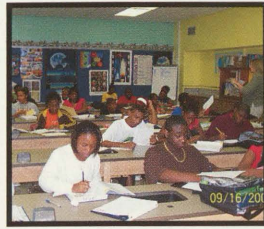

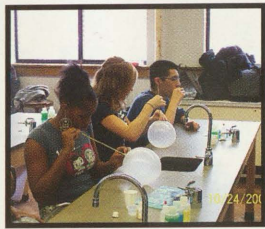

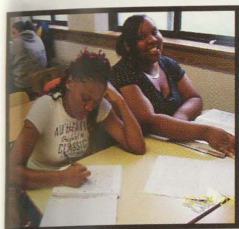

What did you like about this school year?

"Students are focused, and they have an awareness of the academic challenges that we face at Arthur Hill."

# Literature

At Arthur Hill High School, every student is required to have a Language Arts class and to pass. Starting with the class of 2011 all students must have 4 years of Language Arts to graduate. Some of the classes students can choose from are American Literature, World Literature, Exploring Literature, Creative Writing, Newspaper, and many more. So be ready to explore the different aspects of Language Arts. Just pick what you would enjoy the most.-

# Social Studies

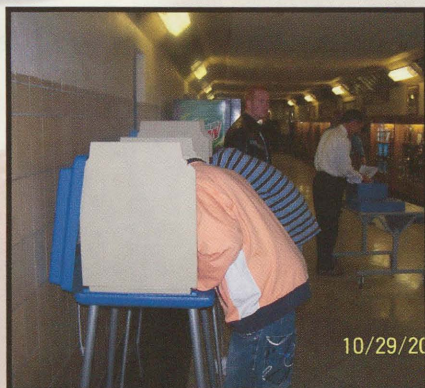

"Discovering the past to build a better future."

What can we discover from our past that could help toward our future? The answer is everything. Every choice and every decision that has ever taken place plays an important role in how we are today. Altering any point in history could ultimately change our future. What we do now can greatly influence where we will be in future years. Here at Arthur Hill students get the opportunity to study our past through the classes of U.S. History I and II, Government, and Economics.

# Mathematics

Mathematics is something that the students of Arthur Hill may think they won't use a lot after they graduate, but they actually will use it everyday in their life. Here at Arthur Hill, students are required to take at least three years of math. Taking math could get students into a good college or maybe even a good job. No matter how you look at it mathematics will take people far in life.

Saginaw Arts and Science Academy is a program that was developed to focus on academic excellence as well as visual and performing arts to achieve the common goal. The students attend the area that concentrates on their specific study. The curriculums offered are both challenging and unique. SASA creates a learning environment allowing students to fully develop their special talents. The courses offered include Global Studies, Language Arts, 2-d & 3-d Art, Voice, Keyboard, Theatre, Dance, Math/Science and a wide range of elective courses in the afternoon. -Sarah Kruske

Saginaw Career Complex provides students from all school districts the opportunity to get a hands on experience in the career of their choice. In most classes the students go to a specific worksite to develop knowledge needed for that career to gain the tools and experience the work setting offers. SCC provides partnership with business labor-career and technical education. The areas in which the classes are selected include Business Service Technologies, Education/ Human Services, Environmental Technologies, Health Service, and Technical Engineering Systems.

Yearbook is more than just an elective; it's a class that will show a student leadership and responsibility. With all the stressful deadlines, the Yearbook class made through it once again, with one of the best yearbooks here at Arthur Hill.

# JOURNALISM

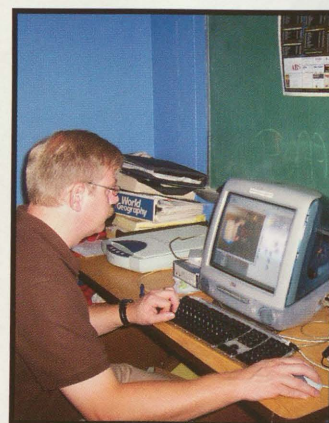

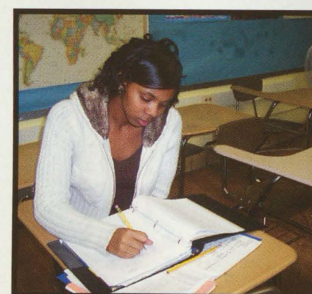

After nine years of having a newspaper class the 2008-2009 school year brings a change for History/ Journalism teacher Mr. Puffpaff. With usually small newspaper class of about 12-15, this year Mr. Puffpaff had to work with his journalism students to produce a newspaper. Journalism is a full year class where students learn the fundamentals of writing good stories and putting together a newspaper. So imagine having to learn what usually takes a year to learn and also do it at the same time and with 19 students. This was wasn't very easy; however, a due date was set and a newspaper was produced.

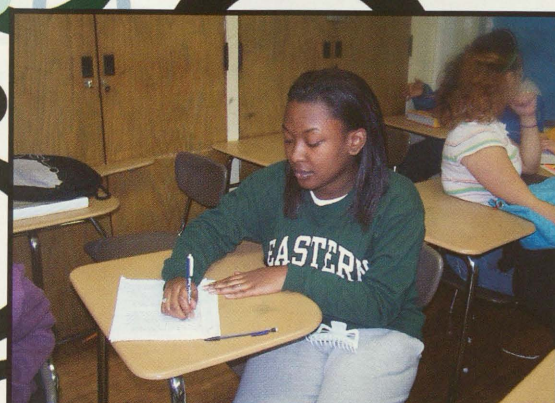

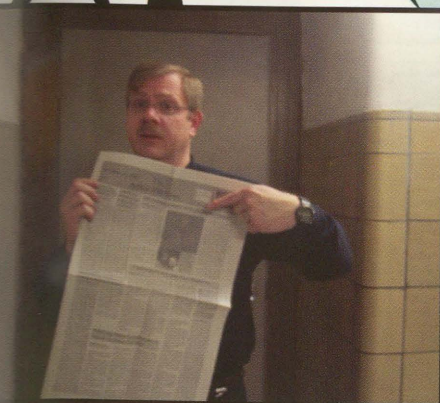

Right- The whole class works putting the pages of the paper together. Below- Jeremy Prince and Kala Williams prewrite stories for the first issue.

# Band

The band this year has welcomed a new instructor Mr. Smith who has helped influence the outcome of another outstanding season. While under the pressure of progress to live up to the standards that have been set in a matter of time, we commend the band instructor for his leadership and commitment to this band. During Marching Band season the band performed at pregame as well as half time during Varsity football games. As for winter season we see them in parades, competitions and basketball games. So show your support!

# DRUMLINE

**RIGHT:** Section Leader Carrie St Pierre says, "Being apart of the band has made my time here worth it, through the ups and downs, I still love this band as if they were family, and I'm going to miss this band when I graduate."

The drumline seems to improve more and more every year, living up to the standards from previous years. Their expectations are always met as they strive to reach success. This winter we hope to see the outcomes of the parade as well as the competitions at which they compete. Good Luck!!

TOP: Ms. Chantaca(Choir Teacher), teaching the Choir a new song.

Once again Ms. Chantaca's choir is entertaining the school and community. For Sweetest Day, choir students form groups and go around singing telegrams to students that were bought by their sweeties. They also did the singing telegrams on Valentine's Day. During the holiday seasons, the choir sang Christmas carols at the Christmas concert. This year the choir signed Christmas cards and delivered them to nursing homes when they went to sing at the homes. The choir did a great job this year showing their singing, respect, and pride skills while representing Arthur Hill High School.

The Lumberjack Varsity Football team did a great job this year. They started their season out with a win against the Heritage Hawks. This is the first time in twenty years that we have beaten them. It was a very exciting game for both the players and the fans. Our first loss of the season was against Flint Southwestern, which was our homecoming game. Even though we lost, it was still a good game. This is the second year in a row that we have made it to play-offs, which was against Midland High. It was also a great game, but unfortunately the win was not ours to have. Good job this year Jacks!

Arthur Hill's Junior Varsity Football team's hard work and effort on the field paid off big time. By doing better than people expected them to do, they won games left and right. The team showed that they could play a good game. There were 38 players on the team this year, ending the season with a record of 6-1. The guys worked hard on making a big impact on next year's season coached by Fred Townsend. They are also raising the bar for next year's J.V. players to follow. - Ashley Williams

This year's Freshmen football team set out to prove a point this year and make a difference. The newcomers learned how it was to play high school football, finding out it was very different from middle school. They worked hard to make a difference and prepared to get better for next year when they'll be on J.V. Hopefully next year's freshmen will follow in their footsteps. The team was just as committed as the J.V. team working hard and winning games. The experience over all made them stronger and more determined to do better next year. -Ashley Williams

Boy's soccer had a lot of new faces this year with the return of the last year's juniors and sophomores. Although the season has been a little bit rocky, they have managed to always stick together, rock it, and take pride in the game... no matter if it was a win or loss. They played their hardest and worked together well. It was a very rewarding season. This year was exciting to see all of the underclassmen involvement, and with it we may see another great team next year as we have in the past few.

## Diving into new depths

The Boys Swim team dove right into this year's season. With an increase in swimmers from last year, the team roster has been growing.

Coached by Mr. Skelcy the team had been practicing very hard during the swim season. The average time spent in the pool was 8-10 hours a week. Skelcy felt that the season went very well. Hopefully next year's season will be even better. The team might even gain more swimmers. Doing laps making their skills better this year's swim team set goals and reached them with hard work and effort.

"Our team has improved this year. We became close and cheered like a team."

**Fe'irah Feltson 11th**

"I really love our team. I feel we had a good year, and we did a great job cheering."

**Makeda DeBardelaben 9th**

Our cheerleaders were great this year. At every game they hyped up the crowd and were letting the players know how much the fans love them. This year, the Arthur Hill cheerleaders were the best that they have ever been.

Our pom-pom girls were also amazing this year. The pom-pom squad always gave perfect performances that the crowd loved. In every competition they went to, they always placed as one of the top three squads in the competition. Great job this yet girls!

-Margarita Luna

# POM-PON

"The team was good this year. We could have done better, I'm really going to miss dancing at the basketball games."

Jasmine Taylor 12th

"This year the team wasn't as much fun as my freshmen year, but I'm going to miss dancing at the basketball games."

Monai Dillard 12th

"Our team was very fun and energetic. We met a lot of new people who were going to be our competition."

Dear Arthur Hill Lumberjacks,

We first of all would like to thank every student at Arthur Hill High School for the excellence they displayed and huge input they contributed into making this yearbook the best yet. As the editors of the 2009 yearbook we'd also like to thank each and every student for the huge role they played in making this yearbook memorable. We sincerely apologize for any wrong, misspelled, or misplaced names.

Our staff is made up of Juniors and Seniors, who've expressed a sincere interest in capturing our Lumberjack memories. We feel this book belongs to everyone at Arthur Hill, so it's important to incorporate as many of you Hillites as possible. From Freshmen to Seniors, from administration to staff, from those of you who are staying, to those of you who are leaving, in this book you will find them all.

Sincerely Your 2008-2009 Yearbook Editors,

Amy Jones & Margarita Luna

P.S. We would like to thank Mrs. Ryan For her leadership and dedication to our Yearbook and Staff. We appreciate everything she has done for us.

WE ARE...

Saginaw Education Association

Supporting the teachers of today who educate the leaders of tomorrow.

SCHOOLS and their employees have a heavy responsibility in our society. Their goals are linked to the future and well-being of our country to provide our children with the basic knowledge and skills they need in a complicated, high technological world, to inspire them to become active participants in the democratic way of life, and to help them achieve their fullest potential.

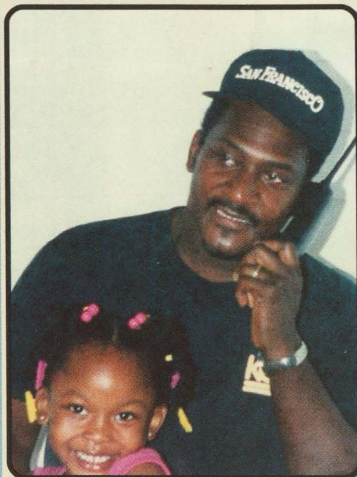

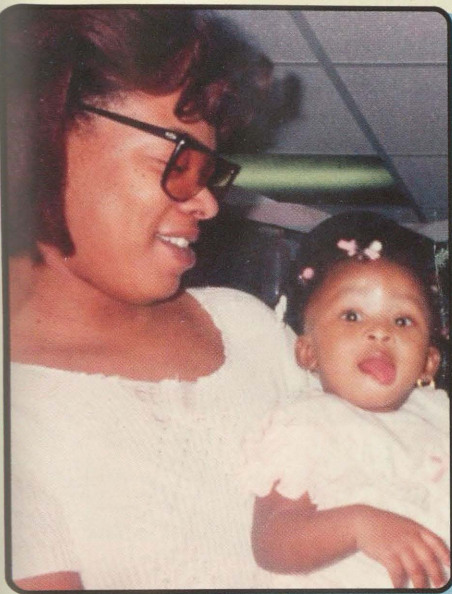

In an age where many raise the cry that education must be our nations first priority, nothing is more important to Americas greatness and hopes for the future, than universal, tuition-free, quality public education.

SAGINAW CITY TEACHERSare helping today so that tomorrow finds this nation and our world a better place to live.

"Making your mark on the world is hard. If it were easy, everybody would do it. But it's not. It takes patience, it takes commitment, and it comes with plenty of failure along the way. The real test is not whether you avoid this failure, because you won't. It's whether you let it harden or shame you into inaction, or whether you learn from it, whether you choose to persevere."

Barack Obama
